A: IMPORTANT INFORMATION

- You can contribute R36 000 every tax year (from March 1st to end-February of the next year) without incurring any tax. Over your lifetime, you can contribute up to R500 000 tax-free. The SA Revenue Service will levy a penalty tax of 40% on any amount above these limits.
- You can withdraw money at any time, and won't pay any penalties or tax. In terms of your tax-free allowance, once you withdraw money, you cannot replace it with a new contribution. For example, if you contributed R36 000 this tax year, and then withdrew some of your savings - any further contribution this tax year will be taxed.
- If you are invested in other tax-free products, please note that your overall investment needs to remain within the tax-free limits. You are required to monitor the total amount invested to avoid tax penalties.
